Summary:

SCP works with middle market companies in transition and this person is a key member of a 2-3 person deal team that is integrally involved in client work. This is a career-track position. Our culture is highly entrepreneurial and energetic. We lean on this person to be the day-to-day leader of a project, drive 80+% of the work streams necessary to execute a successful turnaround project. Key strategic decision making and project direction will be executed in conjunction with the partner or managing director. They will lead the directors and associates and report to the partners or managing directors responsible for the Case. We put a lot of responsibility on this person and ask them to perform. In exchange, they are well compensated, cared for, and not burdened with administrative, or other bureaucratic burdens of other consulting firms.

Compensation:

Highly competitive formula driven model with salary and thrice-yearly bonus payments. Competitive 'big company' health insurance, wellness and 401K programs.

Location:

Downtown Los Angeles
